

Stichting Shell Reserves Compensation Foundation

The Hague, 12 September 2011

*Preparation for Distribution, update*

The Claims Administrator has completed the process of sending formal rejection letters to claimants who filed claims that are not eligible under the terms of the settlement and that have no recognized loss under the plan of distribution. The Stichting Shell Reserves Compensation Foundation has reviewed and responded to all Disputes received and the Claims Administrator has reviewed and processed all supplemental information received during the dispute resolution timeframe. The Dispute Committee is expected to decide in the disputes shortly. The preparations for the distribution still indicate that settlement amounts will not be distributed before November 2011, which is the same estimate schedule as communicated in May 2011.

The Claims Administrator plans to contact certain eligible claimants in September with a request for updated banking information, if the banking information originally provided by the claimant is incomplete or inaccurate. This will allow the Claims Administrator to expedite the distribution of the Net Settlement Fund in November.
